Battery guarantee: Total replacement on any battery that is less than one year old. (Minimum) Credit will be given for any additional years on battery from time of purchase.

The successful bidder will be required to have each battery labeled with the delivery date. It should be easy to locate and read. The purpose for this label is to assist in battery guarantees and monitoring of warehouse stock for shelf life. The use will be required to have that label on the battery in order to receive a new battery under the guarantee.

REPORTS

The contractor will submit yearly reports to the State Purchasing Agent (LEO KOOPMANS) showing quantities and dollar volume of purchases by each agency and political subdivision.
